OUR TECHNOLOGIES

ELLIPTIC

PROGRAM

ELLIPTIC PROGRAM

The elliptical shape inside the shower allows a distance that is as equidistant as possible between the body and the lamps, the tan will be uniform over the whole body.

VIBRO

PROGRAM

VIBRO PROGRAM

It is an oscillating platform that, thanks to the choice between the 5 programs (welcome plan - high impact - full tonic - body drain - slimming plan) makes the tanning moment also an opportunity for a healthy physical activity and muscle stimulation.

DOUBLE COOLING

PROGRAM

DOUBLE COOLING PROGRAM

Separate body and lamp ventilation guarantees perfect cooling and a long cooling time. Thanks to the exclusive system of the side slits, the body is caressed with a pleasant breeze or with a vortex of power allowing a tan in full relax.

WATER FRESH

PROGRAM

WATER FRESH PROGRAM

Not just tan but also wellness, a pleasant freshness is sprayed at programmed intervals, restoring body and senses and assisting the tan.

BLUETOOTH+RADIO

PROGRAM

BLUETOOTH + RADIO PROGRAM

With the Bluetooth system you can connect your smartphone to listen to your favorite music, adjust the volume level and move to the next tracks directly on the Sensitive Touch Program keyboard.

Your favorite radio program will be available at the touch of a finger.

SENSITIVE TOUCH

PROGRAM

SENSITIVE TOUCH PROGRAM

With the exclusive Sensitive Touch Program keyboard, the iteration between the client and the screen is complete. The large screen and the backlit and intuitive functions allow easy and complete management by the customer. Even in case of heavy use the screen does not wear out.

NO SHADOW

PROGRAM

NO SHADOW PROGRAM

In all showers Tecnosole the construction system interior excludes any shaded area. The body is thus perfectly tanned and evenly.

LEGS

PROGRAM

LEGS PROGRAM

With reflective mirrored platform the tanning of the legs is optimized.

TOP SOUND

PROGRAM

TOP SOUND PROGRAM

Balancing with Top Sound Program and the sound reaches the highest levels. The special acoustic speakers guarantee a "clean and round" sound.

IP INTELLIGENT

PROGRAM

IP INTELLIGENT PROGRAM

The personalized regulation of the power supplies electronic, reduces energy consumption and increases lamp life. This system guarantees economic savings, lower CO2 emissions and lower environmental impact.

LAMPS

PROGRAM

LAMPS PROGRAM

The exclusive Tecnosole lamps guarantee performance and durability. The 2 meter long tubes also satisfy very tall customers.

ELECTRONIC

PROGRAM

ELECTRONIC PROGRAM

Thanks to the static electronic system it is obtained up to 20% energy savings without minimizing tanning performance.

CLEVER

PROGRAM

CLEVER PROGRAM

The static magnetic feeding system allows a low energy absorption with excellent results in terms of tanning. Even the 180W lamps 2 m long will be efficient and durable.

PERSONAL TANNING

PROGRAM

PERSONAL TANNING PROGRAM

Soft, Medium and High are the three programs of personalized tan. The client you can choose the desired tan at the touch of a finger.

DIGITAL KEYBOARD

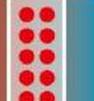

PROGRAM

DIGITAL KEYBOARD PROGRAM

The digital keyboard, simple and intuitive, facilitates the customer in the choice of functions of the shower.

HYBRID TOP

PROGRAM

HYBRID TOP PROGRAM

High-intensity Collagen LEDs provide a beauty treatment in the areas of the face, neck and décolleté during the session Tanning.

COLOR SHOW

PROGRAM

COLOR SHOW PROGRAM

The lighting of the door with multicolored LEDs makes the solar shower unique and desirable. The choice between individual colors or a multi-layered animation colors always offers new possibilities of renovation.
